**Our Mission:** To break the destructive cycle of juvenile crime in Memphis through Christ-centered intervention.

**Our Target:** 12-18 year old youth that have been arrested and referred to JIFF by way of the Juvenile Court of Memphis & Shelby County.

**Our Goal:** To influence the thinking, behavior, and direction of young offenders helping them pursue productive & pro-social activities instead of repeating criminal offenses.

**Our Success:** The national recidivism (repeat offense) rate for previously incarcerated adults is 67<sup>1</sup>/<sub>2</sub>%, for juvenile offenders the rate is usually much higher.

The JIFF Ministry has realized a \*recidivism rate of 18% for reentry participants and 13.8% for Intervention participants.

\*Based upon a 3<sup>1</sup>/<sub>2</sub> - year study of 250 JIFF Participants 2003-2007, with recidivism being defined as re-arrest for crimes equal to or greater than their original crime.

“Don’t just sit there, **register today** and help us Break the Destructive Cycle of Juvenile Crime in Memphis.”
